My Greece Wish List

Three months out: dream it. Write down what would make this trip for you.

Where: _____ **Dates:** _____ **Budget: £** _____

The one experience that would make this trip

My wish list

Places I must see	Food I must try	Experiences I want

Five things to do today

☐	Check the expiry date on every passport in your group
☐	Decide your rough dates and your total budget
☐	Make one folder for every booking you make
☐	Look up the entry rules for your nationality
☐	Write down the one experience that would make this trip

Local tip: Don't try to see all of Greece in one go. Two or three places, properly enjoyed, beat six places glimpsed from a ferry deck.
